Victory Tour "Workin' Day And Night" Orange Jumpsuit (1984)

Michael wore this orange jumpsuit during the Victory Tour for his performance of "Workin' Day And Night". The two-piece "tear away" jumpsuit is made of an orange vinyl parachute material with an iridescent coating and consists of an asymmetrical jacket and matching pants with multiple pockets and snaps. Michael typically wore his "Beat It" costume underneath this suit to change quickly from one costume to another. The specialty stage costume is rigged with Velcro along the waist, legs, and jacket front for easy removal during the performance.

This item was custom made for Michael and has the original tailoring label sewn inside the garment with "Michael Jackson" printed in black ink. This item was sold by "Gotta Have It" (consigned by The Golden Closet) and sold in 2010 for \$19,800 (Lot #1). All screen captures are the property of their respective owners.
