## Motown 25th Anniversary 'Ask Me About' Badge (USA)

"Ask Me About The Motown 25" badge. Originally sold at the filming of the 1983 television special *Motown 25: Yesterday, Today, Forever*.

The special featured many legendary Motown artists, but is mostly remembered for Michael reuniting with his brothers to perform a medley of their hits, and for what is considered to be Michael's breakthrough performance as a solo artist, his debut performance of "Billie Jean". This was also the first time he performed what would become his most famous signature move, the [moonwalk](#).
