Neverland Valley Ranch Real Estate Brochure (USA)

An original professionally printed brochure promoting the sale of the Sycamore Valley Ranch that was purchased by Michael Jackson and named Neverland Valley Ranch in 1987. The full-color brochure features extensive photography of the grounds of the ranch, including aerial photographs giving perspective of the layout of the property. The brochure also includes photographs of the exteriors and interiors of the main house, guest houses, and offices on the ranch. Jackson purchased the home fully furnished, as it is documented in the photograph in this portfolio. As Julien's Auctions catalogued the contents of the Neverland Valley Ranch for auction in 2008, much of the home was still as it appears in these photographs. The brochure also includes a signed letter from Mr. William Bone, the man who designed, built, and sold the property to Jackson as well as a copy of the first and signature pages of the Agreement of Purchase and Sale for the home and a copy of the Michael Jackson signed deposit check.

12 by 15 1/4 inches.

Sold by Julien's Auctions (Lot #175) for \$1,250 at their 2011 "Rock Legends" auction. All pictures and screen captures are the property of their respective owners.
