Hey fellow MJ fans, new here and new to collecting. It has always been a dream of mine to own a signed white fedora worn by Michael, and hopefully i can achieve that dream soon. Michael to me was not just another singer. I am a spiritual person and i appreciate the fact that Michael was as well, his music reflected his spirituality and connection to his greater self. Michael was an awesome humanitarian and cared about people and the planet which I L.O.V.E. Anyways I hope one day I have a big collection so I can hold onto that history and protect the history of the legend, the King of Pop, Michael Jackson. A little about myself I am 20 years old, live in Ontario Canada and love Michael Jackson. Thanks guys, hope everyone had a great Christmas.

Hi Kevin,

welcome to our site and we hope you enjoy scrolling down various categories with amazing items we've added.

Good luck in finding good items for your collection and please always ask before buying signed or worn items as it's full of fake and scammers, especially after 2009.
