

Question about Leave Me Alone 12" vinyl single

Posted by Respect77 - 2013/01/06 07:49

I have this:

http://www.mjjcollectors.com/index.php?option=com_virtuemart&page=shop.product_details&flypage=flypage.tpl&category_id=158&product_id=4468&Itemid=136

with the same catalog number and everything, only mine says it was made in Holland. So is it the same as what is described at the link above or a different one?

yes, it's the same but UK 12" singles are usually made in Holland for the UK and European market. So we write UK.
