Hi Everybody! Posted by jzab9455 - 2014/12/20 11:03

New to the forum but have been on here many many times! Mostly to help categorize my inventory of MJ

I have a large collection of books, cds, vinyls, toys, and misc. Have always wanted to sell it all but can never live with myself. I know my grandchildren would benefit from it more than myself. So I hope to post the collection very soon and can't wait to meet everyone!

memorabilia and to suss out the fakes that I come across on eBay.
