## rare original autographed photo of michael in 1996 Posted by lanab - 2015/07/19 04:55

Hi everyone,

I have an original 1 of a kind signed photograph of Michael Jackson in 1996 on his arrival at his hotel in New Zealand.

The photograph is of himself, the late sir Howard Morrison and Toni Ann(currently performing in the "lion king" broadway production.)

My father in-law(a well renowned hotelier) was running the hotel at the time and looked after Michael Jackson for his stay.

Michael Jackson signed "love Michael Jackson"

I was looking for people interested in the picture also its value. Photos to come.
