Hello

In my collection I have Jackson 5 - Joyful Jukebox Music/Boogie from HIP-O Select from 2004.

On back side of cover my press have gold sign in frame LIMITED EDITION.

The matrix number was: B000301602SP B04J3031C IFPI L772

i bought mine direct from Hip-O the day they issued it.. they were still taking overseas orders then. i live in the UK. i have several.. some still sealed.. all the copies with LIMITED EDITION are from the initial batch of 5000.. if it doesn't have LIMITED EDITION it is from the November 2006 re-print
