hello again,

on this website you have a promotional CD-Single from Who`s Lovin` You.

[http://www.mjjcollectors.com/index.php?page=shop.product\\_details&flypage=flypage.tpl&product\\_id=3011&category\\_id=17&option=com\\_virtuemart&Itemid=136](http://www.mjjcollectors.com/index.php?page=shop.product_details&flypage=flypage.tpl&product_id=3011&category_id=17&option=com_virtuemart&Itemid=136)

I found the regular european Version for SALE. What surprises me is that this CD is so rare, I do not even found the barcode in the Internet.

Barcode 042286008127

Catalog 860 081-2

Made in Germany

On Wikipedia I read that there was a single release in France. Maybe this is the one for France, printed in Germany.

Unfortunately the papersleeve was cutted and it was putted in a jewel case.

Who has more background information?

=====
