

CIDISC PARIS Porte de Champeret (France)

Posted by Fanatic - 2011/04/12 12:38

This W-E there is a disc convention to paris, it's been 2 years that I go there it's a big convention and there is lot of seller, not a lot MJ Collector but lot of promos. Big collector have hight price... I'll go there this sunday.

This convention appear 3 times by year.

In this one there is international seller from USA, Japan, England, France.... ^^

Yes I can bought athe Off The Wall suzuki 7" and a LP Love Is My Message not in nice condition but at little price compare to ebay so... it's a ba d for a good :)

I also bought 3 white promos with sticker : BOTDF TDCAU and In The Closet. "that's all" :D

That sounds good!!! :yes

Those record fairs are really fascinating.

Yes why not, but I have to make lot of economies :)

When I go to CIDISC I take 200 euros, but if I go to Holland I have to take 700 euros I think (without including train ticket ^^)

It's so big... And We can find everything so... For a big Convention we have to get Big economies ;)
