

hello from Florida

Posted by rockwithyou - 2011/07/03 07:26

My name is Amy and I just want to say hi to everyone. I adore Michael. My newest interest is collecting the Panini trading cards. So far, I opened 1 box and I have 3 more boxes on the way. I hope I get a clothing swatch! I like collecting Mj books, magazines, buttons, posters, dolls...etc. My favorite possessions are the Opus and an authentic autographed picture of Michael in the gold outfit. I am glad to be here. Please add me as a friend, if you would like.

Hi MJSunshine,

How are you today? I got a televised fashion (TV3). Did you get any special cards?
