Michael Jackson New Year's Eve In Brunei BOOTLEG (ILLEGAL) CD Album (Europe)

[Michael Jackson New Year's Eve In Brunei BOOTLEG CD SO DO NOT BUY IT PLEASE \(it's added here only to alert fans not to buy it and not be scammed\)](#)

When you buy a bootleg or an unofficial item, you'll cause damage to Michael Jackson, as no royalties nor fees go to his 3 children, but only go to the pockets of scammers and mafia who uses this money to buy weapons, illegal drugs and do bad activities around the world.

If you really love Michael, destroy all the bootlegs you have, without selling them to someone else and you'll do good to society.

You'll follow also Michael's lessons to Heal The World and act against wars and bad activities.
