Heal The World Original Artwork *Acrylic Painting* By David Nordahl (1992)

Original acrylic painting on board prepared by David Nordahl as the logo for Michael's Heal The World Foundation (also used for the record and CD sleeve for the single).

From Julien's Auctions:

Nordahl worked closely with Jackson in the design of the logo. The original painting is framed and matted and comes with a typed letter signed by Nordahl reading, "This is the original art for the charity founded by Michael. Michael and Mr. Murjani were both involved in the selection of a logo that defined the purpose of the charity. Mr. Murjani favored a more contemporary version while Michael wanted the logo more realistic with little kids' hands. I must have done more than fifty sketches before one was finally selected. We ran so late I had to hire a courier to hand deliver a transparency in London..."

Sold by Julien's Auctions (Lot #386) for \$4,687.50 at their 2010 Music Icons auction. All screen captures are the property of their respective owners.
