Bad Album "Black Lace" Original Album Cover Artwork (USA)

Large 14 1/2"x17 1/2" blown up negative on B&W photographic paper of Michael's face behind black lace. Was to be used for the BAD LP cover, but wasn't. Attached is a clear plastic 14 1/2"x14 3/4" sheet with small white "Michael Jackson" lettering on the top (also most likely meant for the LP cover). c. 1987 (USA)
