Michael Jackson History Statuette By Carlitta Collection NÂ°227/1000 (USA)

The statues were made in 1998. They are limited to 1000 pieces worldwide.

Every piece is unique, no mass-production, but an individual and complex production process. Made from 99% finest gold. Michael's knee-pads are made from platinum. The face of each piece is hand-painted.

This 13 inches tall porcelain figure comes with Certificate of Authenticity and original box with a continuous number XXX / 1000.

In 2003, Michael Jackson has been a very special celebration in Las Vegas, where the statues were presented to him. They were sold for charity.
