## Tabloids

**WARNING** This content is provided from a "collector's" standpoint, as there are collectors who collect tabloid papers as part of their collections (and, as some of you know, prior to 1993, there were several very well done "full cover" features provided on MJ, especially during the Thriller and early Bad Era).

If you proceed, proceed with **caution**, and note that this content in NO WAY represents the views of any of us at MJJCollectors!
