Michael Jackson *Visionary: The Video Singles* Full 20 Disc Box Set (USA)

Limited edition US 20 x DualDisc single set in NTSCÂ featuring a total of 40 audio tracks digitally remastered for the first time for this release [including original & remix versions] plus 20 classic music videos, each disc presented in an individually numbered card picture sleeve with die-cut inner to replicate a generic Epic singles bag featuring a classic shot of MJ divided across all 20 sleeves to reveal a full image when all placed together. Different than European box set because you could find only the 1st disc and then collect the rest of them week after week.
