## Dangerous Tour Gold Bodysuit Ensemble Worn By Michael Jackson (1992)

Gold and black spandex bodysuit with front zip closure and a pair of black pants with decorative snap sockets at the hip. Worn by Michael Jackson during the Dangerous Tour. The jacket's front zip closure does not run the entire length of the garment, allowing the front to lay open and move. The ensemble was inspired by European fencing uniforms.

Sold by Julien's Auctions (Lot #877) for \$87,500 at their 2012 "The Collection of Tompkins and Bush: Michael Jackson" auction. All pictures and screen captures are the property of their respective owners.
