Dangerous Tour Souvenir Cassette Album (Malaysia)

Dangerous Tour Souvenir Malaysian 14 Track AlbumÂ Cassette. Very rare cassette produced in 1993; it wasÂ released in conjunction with the Dangerous Tour in Japan and Asia in 1993Â but a few days after its release it wasÂ withdrawnÂ because ofÂ some dates cancellations andÂ sex allegations.

A mega rareÂ version in CDÂ (containing the same tracks and showing the same cover) was scheduled to be released in Japan but deleted it for the same reasons above. It's very hard to find itÂ among collectors in Japan and all over the world because it remained as a promo CD only (you can see it in our site at CD Promo Limited Editions Category).
