Dangerous Collector's Edition "Pop Up" CD Box Set (USA)

Special gold CD comes in a 10"x10" black box with "Eyes" logo. Opens up into a 3-D "LP Cover" display, with Dangerous lyric booklet. Â "First Printing." Â North American version has a variation with a "Not for distribution or saleÂ outside of Canada" sticker on the back, but the box set is the same (with same catalog# as well).
