"Michael Jackson The King Of Pop World Tour 1987" Live Concert CD (Italy)

Unofficial CD says "Recorded Live On World Tour 1987", but uses a picture from the Dangerous Tour on the cover. Â Some titles misspelled and also says "All songs written by Michael Jackson" (even though they aren't). Â Different song sequence and track listing than the "Nobody Moves Like Jacko" CD. Â Possibly a different concert judging from the time variations.

2. Wanna Be Startin' Somethin' (5:02)
3. Human Nature (4:29)
4. Heartbreak Hotel (4:50)
5. I Want You Back (1:04)
6. The Love You Save (2:14)
