The Way You Make Me Feel UNCUT PICTURE DISC - Test Pressing (UK)

The Way You Make Me Feel Rare UK Original UNCUT PICTURE DISC of the 'square' shape from the Souvenir 7" Singles picture disc pack. It features the Instrumental version on the back side. This rarity has not been cut to the finished shape but remains as a 12" disc with clear vinyl surrounding the central image. Uncut picture discs are generally used as 'test pressings'

A few are always made to check the image alignment and print quality before the final run is cut to the desired shape.
