Michael Jackson 'Gallery At Ponte 16' Official White T-shirt (Macao)

This t-shirt is a part of an official merchandise line created just for the Michael Jackson exhibition in Macao. It's called "Gallery At Ponte 16" and it's inside a Casino Resort where many Michael's rare memorabilia are shown permanently, including the famous white sequined glove he worn at the "Motown 25th Anniversary" Show in 1985 and bought by the owner of the Macao's Casino for more than \$420,000 USD at a Julien's auction held in NYC in November 2009.
