BAD Tour '88 Creditanstalt Bank Promo Press Kit (Austria)

Rare kit in a plastic bag including some promotional material, such as a 7" single, a postcard and some biography sheets, given to the press for the launch of the BAD Tour in Austria in 1988. Singles were taken from BAD LP and could be Dirty Diana, I Just Can't Stop Loving You, Bad etc..

This was given by Creditanstalt Bank to customers who opened a bank account during 1988. However, this was withdrawn after a while because Pepsi logo was used and Pepsi sued them.
