# Bad Exclusive LP Preview Invitation On July 10th, 1987 (LA - USA)

This invitation was sent probably to Walter Yetnikoff (a former CBS's executive) and includes also a letter written and signed personally by Michael. It reads: ' Dear Walter, thank you for coming to Los Angeles. I hope that next year will be a truly --- year for you and a truly BAD one for me'.

After LP album preview, the invitation was also for an intimate dinner at Michael's house.
