Michael Jackson Blue Crystal "Fantasy Glove" (1984)

Custom-designed for MJ in 1984 by designer Bill Whitten. A Right handed glove covered in blue and gold Swarovski loch rosen crystals and rhinestones along the back of the glove.

From JuliensAuctions.com:

The "Fantasy Gloves" were originally intended to take Michaels single glove concept to a new level before he settled on the now iconic single "white" glove. Jackson eventually had a custom plexiglas display case created to display his set of eight "Fantasy Gloves" at Neverland Valley Ranch.

This glove (Lot #354) sold for \$126,000 at Julien's 2009 Music Icons auction.
