From The Golden Closet/Gotta Have It:

This spiral bound soft-cover production book from Propaganda Films and MJJ Productions was used for Michael Jackson's groundbreaking video/short film "Black or White." Under the project working title "Colors," the booklet includes a full script, shooting schedule, photocopied storyboards (including those for the controversial and often deleted "Panther" sequence), contact and crew lists, location list and map, and calendar of events for primary filming. Loose pages inserted into the booklet include crew Call Sheets, additional pick-up shot schedule, and a folder containing costume notes for the Russian dancers seen in the video. A laminated badge with "MJJ Productions, "Black or White" printed on one side, and "Property of MJJ Productions" printed on the reverse also accompanies this extremely rare pop culture artifact. Presented by The Golden Closet, your premier source for screen used wardrobe, props, and music entertainment memorabilia. Photos and descriptions are the sole property of The Golden Closet.

Offered by Gotta Have It (Lot #22) at their 3/11/10 Rock & Roll Pop Culture Auction. All screen captures are the property of their respective owners.
