Michael Jackson Unofficial 1/6 'Billie Jean' Live At MSG 30th Anniversary Show Doll (China)

Unofficial 1/6 scale doll showing Michael in 'Billie Jean' live pose from the MSG 30th Anniversary Celebration in NYC. This doll was made by Chaoer in China to commemorate Michael's death. Size: 30cm high, microphone 28cm high.

This doll had to be official but The Michael Jackson's Estate sued Ecbizz Co. Ltd Japan for copyright infringements on certain items that weren't authorized yet. So Tokyo's court ruled at TMJE's favor.
